TECHNOLOGY CENTER 2000

Sir:

I hereby certify that the petition below (1 page) is being facsimile transmitted under Rule CFR 1.6(d) to the U.S. Patent and Trademark Office, at 703 872-9306, on February 26, 04.

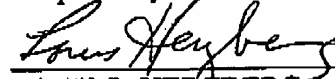

Robin J. Villaronga

PETITION FOR REVIVAL UNDER 37 CFR 1.137(B)

Applicants Petition to Revive the above-identified application which was unintentionally abandoned for failure to respond to Advisory Action mailed 4/25/02. The undersigned forwarded a Transmittal Letter on April 2, 2002, for filing a Continuation, which was received in USPTO on April 5, 2002. (See, Return Postcard attached)

Applicants request that the application be revived and entry of the Assignment and Declaration previously provided. Applicants are of the opinion that the fee for entry of this petition as set forth in 37 CFR 1.17(m), should not apply in so much as the case is abandoned due to PTO error. In the event that a fee is due, please charge deposit account 09-0468.

Respectfully submitted,

LOUIS P. HERZBERG
Reg. No. 41,500

-- The MAILING DATE of this communication appears on the cover sheet with the correspondence address --

THE REPLY FILED Apr 5, 2002 FAILS TO PLACE THIS APPLICATION IN CONDITION FOR ALLOWANCE.

Therefore, further action by the applicant is required to avoid the abandonment of this application. A proper reply to a final rejection under 37 CFR 1.113 may only be either: (1) a timely filed amendment which places the application in condition for allowance; (2) a timely filed Notice of Appeal (with appeal fee); or (3) a timely filed Request for Continued Examination (RCE) in compliance with 37 CFR 1.114.

THE PERIOD FOR REPLY [check only a) or b)]

- a) ☒ The period for reply expires Four months from the mailing date of the final rejection.
- b) ☐ In view of the early submission of the proposed reply (within two months as set forth in MPEP § 706.07 (f)), the period for reply expires on the mailing date of this Advisory Action, OR continues to run from the mailing date of the final rejection, whichever is later. In no event, however, will the statutory period for the reply expire later than SIX MONTHS from the mailing date of the final rejection.

Extensions of time may be obtained under 37 CFR 1.136(a). The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).

1. ☐ A Notice of Appeal was filed on _____. Appellant's Brief must be filed within the period set forth in 37 CFR 1.192(a), or any extension thereof (37 CFR 1.191(d)), to avoid dismissal of the appeal.
2. ☐ The proposed amendment(s) will be entered upon the timely submission of a Notice of Appeal and Appeal Brief with requisite fees.
3. ☒ The proposed amendment(s) will not be entered because:
 - a) ☒ they raise new issues that would require further consideration and/or search. (See NOTE below);
 - b) ☐ they raise the issue of new matter. (See NOTE below);
 - c) ☐ they are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for appeal; and/or
 - d) ☐ they present additional claims without cancelling a corresponding number of finally rejected claims.

NOTE: The amendment raises new issues in claims 1, 46, 48, 59, and 65

4. ☐ Applicant's reply has overcome the following rejection(s): _____
5. ☐ Newly proposed or amended claim(s) _____ would be allowable if submitted in a separate, timely filed amendment cancelling the non-allowable claim(s).
6. ☐ The a) ☐ affidavit, b) ☐ exhibit, or c) ☐ request for reconsideration has been considered but does NOT place the application in condition for allowance because: _____
7. ☐ The affidavit or exhibit will NOT be considered because it is not directed SOLELY to issues which were newly raised by the Examiner in the final rejection.
8. ☒ For purposes of Appeal, the status of the claim(s) is as follows (see attached written explanation, if any):
 Claim(s) allowed: _____
 Claim(s) objected to: _____
 Claim(s) rejected: 1-11, 15-24, 46, 47, 55-57, 59-61, 65, 66, and 84
9. ☐ The proposed drawing correction filed on _____ a) ☐ has b) ☐ has not been approved by the Examiner.
10. ☐ Note the attached Information Disclosure Statement(s) (PTO-1449) Paper No(s). _____
11. ☐ Other: _____
